Industry Update: Saudi Global Ports Awarded Concession Agreements for the Operations of Multipurpose Terminals Along Eastern Coast of Saudi Arabia

Dear Valued Partners and Customers,

1. On 23 June 2025, Saudi Global Ports Group (together with its subsidiaries, "SGP"), through its subsidiary, **Modern Port Services Company Limited (SGP Multipurpose Terminals, "SGPMP")** was awarded concession agreements by the Saudi Ports Authority ("Mawani") to operate the Multipurpose Terminals along the Eastern Coast of Saudi Arabia. The four terminals are located at the following ports:
 - a. King Abdulaziz Port Dammam
 - b. Jubail Commercial Port
 - c. King Fahad Industrial Port Jubail
 - d. Ras Al Khair Port
2. More information on this milestone can be found in our News Release at: <https://www.saudiglobalports.com.sa/page/Press-Release>

Commencement of Operations

3. SGPMP will assume operatorship at all four Multipurpose Terminals listed above from **01 July 2025**, and it is our priority to ensure a safe and well-coordinated transition.
4. Please be assured that we are coordinating closely with all relevant stakeholders and appreciate your patience and cooperation during this transition period.

Support and Assistance

5. During this period, our Customer Support Team will be available to support your planning needs or address any concerns. Please contact our Customer Service Team at MPS-CustomerService@globalpsa.com or +966 55 582 0125.

Thank you for your continued support for SGP and SGPMP as we work together to unlock more reliability across the network of Multipurpose Terminals along the Eastern Coast of Saudi Arabia.
